Who Writes the Ceremony?

You Do! With our help of course. We are proud to announce that Enchanted Celebrations has a proprietary, web-based, ceremony script builder. It provides our brides-to-be with easy to use step by step instructions to create their ceremony. Currently, there are over 500,000 possible ceremony combinations online and space for you to type in your own thoughts.

Most brides create their personalized ceremony script in 30-45 minutes!
