

## WONDERING ABOUT TIPPING?

### PRE-PAYING YOUR GRATUITIES IS EASY!

We understand that some couples do not feel comfortable carrying cash with them on their wedding day and would prefer to have all money matters taken care of beforehand. By request of so many of our past couples, we are now offering our couples to pre-pay their gratuities to our professionals.

As you know, tipping is **ABSOLUTELY OPTIONAL** and is **NOT REQUIRED** or expected. Also, our professionals do not know that they are receiving a tip until the week after the wedding day.

#### COMMON GRATUITIES:

Master of Ceremonies (Entertainer 1) \$100  
Disc Jockey (Entertainer 2) \$50  
Lead Photographer \$100  
Second Photographer \$50  
Lead Videographer \$100  
Second Videographer \$50  
Photo Booth Attendant \$50  
Lighting Technician \$50  
EC In Office Event Coordinator \$25

Again, tipping is **ABSOLUTELY OPTIONAL**. If you elect to not pre-pay gratuities or would like to wait until your wedding day to decide, we understand. We offer this service for your convenience to what often is a very busy day.
