WHAT IS BRIDE PREP?

Bride prep consists of photos that capture the behind the scenes memories as the bride and her party get ready before the day's events begin. There are many different aspects of bride prep that can be encapsulated to ensure each moment is treasured forever. Here are some options to consider when thinking about bride prep photos.

PHOTOS OF THE BRIDE

These are individual photos of the bride throughout the bridal prep process capturing the excitement as the day starts to unfold.

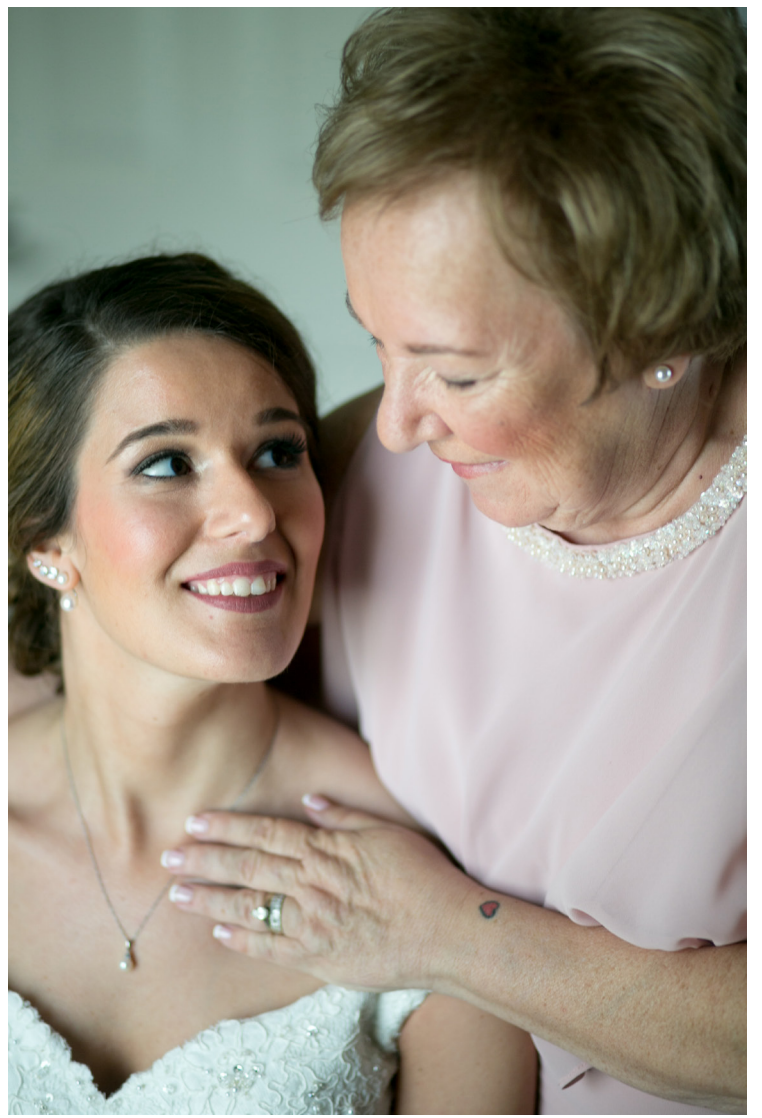

THE BRIDE AND HER MOM

These photos capture the special moments shared between the bride and her mom as they get ready.

THE BRIDAL PARTY

These photos highlight the interactions between the bride and her bridal party, helping the bride get ready and having fun together.

HAIR AND MAKEUP

Hair and makeup photos highlight the getting ready process, making sure a moment is never missed.

DRESS, SHOES, AND ACCESSORIES

These photos are still shots highlighting the dress and its many accessories. The dress is photographed alone or accompanied by the bridesmaid's dresses. Shoes, jewelry, and flowers are showcased as well.
